

## Picropodophyllin

Catlog Number: PDP-13153

### • Basic Information

|                  |                                                                                                   |
|------------------|---------------------------------------------------------------------------------------------------|
| Synonyms         | AXL1717; Picropodophyllotoxin; PPP                                                                |
| Appearance       | Solid                                                                                             |
| CAS              | 477-47-4                                                                                          |
| Purity           | 99.85%                                                                                            |
| Molecular Weight | 414.41                                                                                            |
| Formula          | C <sub>22</sub> H <sub>22</sub> O <sub>8</sub>                                                    |
| Color            | White to off-white                                                                                |
| SMILES           | <chem>O=C1OC[C@]2([H])[C@@H](O)C3=C(C=C4OCOC4=C3)[C@@H](C5=CC(OC)=C(OC)C(OC)=C5)[C@@]21[H]</chem> |
| Intended Use     | For research and further manufacturing use only.                                                  |

CD BioSustainable

### • Package and Storage

Storage: Powder: -20°C 3 years; 4°C 2 years

In solvent: -80°C 1 year; -20°C 6 months

Shipping: Room temperature.

CD BioSustainable is a reputable and professional company in the industry. We provide high-level technical services and total solutions to deliver only the most satisfactory results for our clients.
