

## 7-O-Primverosylpseudobaptigenin

Catlog Number: PDP-17617

### • Basic Information

|                  |                                                                                                                                       |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| CAS              | 224957-15-7                                                                                                                           |
| Molecular Weight | 576.50                                                                                                                                |
| Formula          | C <sub>27</sub> H <sub>28</sub> O <sub>14</sub>                                                                                       |
| SMILES           | <chem>O=C1C(C2=CC=C(OCO3)C3=C2)=COC4=CC(O[C@@H]5O[C@@H]([C@H]([C@@H]([C@H]5O)O)O)CO[C@H]6[C@@H]([C@H]([C@@H](CO6)O)O)O)=CC=C41</chem> |
| Intended Use     | For research and further manufacturing use only.                                                                                      |

CD BioSustainable

### • Package and Storage

Shipping: Room temperature.

CD BioSustainable is a reputable and professional company in the industry. We provide high-level technical services and total solutions to deliver only the most satisfactory results for our clients.
