

## Ganoderic Acid Mk

Catlog Number: MDP-21972

### • Basic Information

|                  |                                                                                                          |
|------------------|----------------------------------------------------------------------------------------------------------|
| CAS No.          | 110024-14-1                                                                                              |
| Synonyms         | GA-Mk                                                                                                    |
| Molecular Weight | 570.76                                                                                                   |
| Formula          | C <sub>34</sub> H <sub>50</sub> O <sub>7</sub>                                                           |
| SMILES           | <chem>O=C(/C(C)=C/CC(C(C1CC([C@@]2(C)C3=CCC4[C@](C)(CCC(C4(C)C)OC(C)=O)C3=CC[C@]12C)O)C)OC(C)=O)O</chem> |
| Intended Use     | For research use only.                                                                                   |

CD BioSustainable

### • Package and Storage

Shipping: Room temperature.

CD BioSustainable is a reputable and professional company in the industry. We provide high-level technical services and total solutions to deliver only the most satisfactory results for our clients.
