

## Kirrothricin

Catlog Number: MDP-23934

### • Basic Information

|                  |                                                                                                                                                             |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CAS No.          | 79190-00-4                                                                                                                                                  |
| Molecular Weight | 780.99                                                                                                                                                      |
| Formula          | C44H64N2O10                                                                                                                                                 |
| SMILES           | <chem>O=C(C1=C(O)CCN(C)C1=O)/C(C)=C/C=C/C=C/C=C/[C@H](O)C(O)[C@H](C)[C@H](OC)/C(C)=C/C=C/CNC([C@H]([C@]2(O[C@H](C(C)([C@H](C2)O)C)/C=C/C=C\C)O)CC)=O</chem> |
| Intended Use     | For research use only.                                                                                                                                      |

CD BioSustainable

### • Package and Storage

Shipping: Room temperature.

CD BioSustainable is a reputable and professional company in the industry. We provide high-level technical services and total solutions to deliver only the most satisfactory results for our clients.
